Statement on the REACH regulation (EG 1907/2006), RoHS directive 2011/65/EU and 2015/863 and SVHC candidate list on the information obligations for manufacturers of preparations and products.

Declaration of Conformity – RoHS

We hereby confirm the conformity of our products in according with the RoHS Directive 2011/65/EU and 2015/863 – 2017/2102 of the European Parliament and of the European Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment in conjunction with the Directive, compliance with the maximum permissible concentration in homogeneous materials in percent by weight in accordance with Annex II of the Directive. Hailo Werk Rudolf Loh GmbH & Co. KG hereby declares that all our products are produced in compliance with RoHS.

Declaration of Conformity – REACH

Hailo Werk Rudolf Loh GmbH & Co. KG, as a manufacturer of household articles, household systems, access equipment, shaft equipment and waste technology, is a so-called “downstream user” within the meaning of Regulation 1907/2006 of the European Parliament and of the European Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). Obligations due to the manufacture and marketing of substances/chemicals for pre-registration or registration (ECHA, SCIP-database) are not applicable to us. Our products are manufactured items and therefore cannot be defined as substances or preparations (according to article 3). Furthermore, no substances are released from the article under normal and reasonably foreseeable conditions of use. Hailo Werk Rudolf Loh GmbH & Co. KG is therefore neither subject to the obligation to register nor to provide safety data sheets.

In order to guarantee our customers a continuous supply of reliable and safe products, we ensure that our suppliers meet all requirements with regard to chemical substances and materials and thus no substances from the candidate list (ECHA dated February 04st, 2026) of substances of very high concern (SVHC) are used for the manufacture of our products.

In doing so, we adhere to the obligation of the "ECHA guidelines for downstream users".
